

Weiss Honored With Bar Assn. President's Award

Donald J. Weiss, Esq. received the Honorable Paul R. Sand President's Award at the recent Delaware County Bar Association Annual Dinner. The award is presented annually to a member of the Bar who has furthered the concepts of the association, or a lay person who has fostered interest and respect for the law.

According to Bar Association President Michael Pierce, Esq., Weiss is the embodiment of the criteria for the award. His many contributions to the association, and on behalf of the association, coincide with Pierce's desire for each member to fulfill the challenge: "Get involved, stay involved and encourage others to do the same"

Weiss is a former president of the Association and has continued to work on all aspects of the association including the physical plant, financial committees and budget process, and has made himself available for many tasks.
